Math 7

```
1)   576
    +825
     ----

2)  Write the standard numeral for seventy-four thousandths.
1) 0.074     2) 0.0074     3) 0.74     4) 0.00704

3)  Solve:
                16x = 80
1) 80     2) 9     3) 4      4) 5

4)  Write as a fraction in lowest terms.
         36%
1) 9/25     2) 1/4     3) 36/50     4) 36/1

5)      (-2) x (+15) =
1) -13    2) +13    3) -30     4) +30
```
